District 5 Councilman Corey A. Reeves Issues Statement on Banneker High School Incident

(CITY OF SOUTH FULTON, GA – January 28, 2022) – City of South Fulton District 5 Councilman Corey A. Reeves issued the following statement today regarding an incident in which two Bannaker High School students were injured Wednesday.

“This is the most unfortunate situation that students have to endure. Fulton County School System and the municipal public safety police departments of Union City and the City of South Fulton are working closely for a swift resolution. For now, our prayers are with the two young people who were injured and their families during this very difficult time.

To quote Banneker High School Principal Jason Stamper, ‘This is not who we are!’

Any student who is having a hard time dealing with this situation should seek the designated person they can talk to about what they are going through mentally. Believe that it's okay to do so.”
